

Information zur Feststellung einer Behinderung in Englisch

Disability confirmation

Who can apply to have a disability confirmed?

People who have a lasting health limitation (longer than six months) can make an application. They must have residence or work in Germany.

Which documents must be provided?

- Residence permit (only in certain cases)
- Settlement permit
- Exceptional leave to remain
 - If the applicant has had leave to remain for more than six months and no deportation is threatened
- Probationary permit
 - This is what foreigners receive if they already had a residence entitlement, which expired and currently needs renewing
- Residence title for specific purposes
 - If the foreign office does not give any reasons for refusal

Where can I get an application form?

You can get an application in the pension offices in Rostock, Schwerin, Neubrandenburg and Stralsund.

Moreover the application on the homepage of LAGuS M-V can be filled out and printed. (www.lagus.mv-regierung.de)

The addresses for the pension offices are:
